

Fully funded ICT training for small and medium sized businesses

Thanks to funding from the Marches Local Enterprise Partnership (LEP), Hoople is pleased to offer fully funded ICT training for businesses and not-for-profit organisations that employ fewer than 250 staff.

To be eligible for funding, you will be required to complete an Organisational Training Needs Analysis (OTNA) form and then choose from two of the following:

-  Spreadsheet software (Excel)
-  Word processing software (Word)
-  Data management software (Access)
-  Using email (Outlook)
-  Presentation software (PowerPoint)
