

FREE training!

Identifying and controlling food allergy risks

Make sure your staff know how to identify and control food allergy risks with this fully funded opportunity from Hoople!

Thanks to funding from the Marches Local Enterprise Partnership, this one day course is completely free* to you and your team members.

The date(s) of the course is not yet set, but will be subject to demand. If you're interested, please email training@hoopleltd.co.uk and we will be in touch. You can find the full details of the programme via our website.

FREE IT training also available—contact us for further information!

For further information, please contact:

01432 383500 or training@hoopleltd.co.uk

* Eligibility criteria:

- You must employ fewer than 250 staff (FTE)
- Participants must be employed members of your team (not volunteer staff)
- All organisations who undertake the funded training will be required to complete an organisational training needs analysis
- All candidates will be required to provide proof of identity
