1. Introduction

1.1. Purpose of the SLA

The SLA is part of the overall contractual and operational documentation and is intended to set out each party's service delivery obligations. The SLA has been designed to define the responsibilities of all parties to the Agreement, determining who is the Lead Party (the party responsible for making sure that the required outcome is achieved), and what each of the respective parties are expected to contribute in order to achieve the required outcome.

Our commitment to you

Hoople's Information Technology Service is committed to achieving continuous service improvement and business excellence. We want to ensure that our clients receive the highest level of service possible and that this is delivered economically, efficiently and effectively. The primary aims of the service are:

- To work with the client to develop/implement IT solutions to help meet their objectives
- To identify new IT opportunities and provide technical expertise to enable the client to improve efficiency whilst reducing operational costs
- To provide a secure, stable and robust environment, which enables the client to utilise existing software applications with the maximum return

Our service will be based on the ITIL standard (Information Technology Infrastructure Library) and will focus on aligning technology with the needs of your business. ITIL is an industry standard that provides a cohesive set of 'best practice IT management' from the public and private sector.

Service objectives are to provide:

- IT strategic leadership to help clients achieve continuous service improvement within their business
- A service that is fit for purpose for a diverse range of users
- A robust infrastructure platform
- Timely and professional resolutions to incidents and service requests

1.2. Points of contact

The main point of contact for SIMS, SMS FMS, Arbor Education, Bromcom, Bromcom FMS and ScholarPack:

ICT Service Desk

ictservicedesk@hoopleltd.co.uk (tel: 01432 261500)

1.3. Points of contact

Quality control

Hoople is committed to providing superior quality products and services. Quality objectives have been established to drive continuous improvement, greater efficiency and improved customer satisfaction.

The quality programme employs effective quality control techniques, quality assurance reviews/ audits and client satisfaction reviews aimed at continually improving value over the long term while addressing the needs of all stakeholders. Exceeding client expectations is a core aspiration for Hoople.

Primary elements of service quality include: reliability, understanding of client issues, empathy and responsiveness.

Continuous improvement programme

- A continuous improvement programme (CIP) has been implemented to promote customer focus and service. This includes:
- Listening to our clients' feedback so that continuous improvement is actioned
- Where necessary, we will review and amend processes to improve service delivery
- Sharing best practice and innovation

1.4. Hoople overall responsibilities

- Discharging the services and standards listed in the SLAs
- Achieving the agreed key performance measures
- Continuously maintaining and improving levels of skills and expertise to deliver and improve the services in accordance with good industry practice
- Dealing with additional / special customer requests as agreed
- Annual client consultation as part of a continuous improvement programme
- Notify customer of any problems in connection with the provision of service
- Provide agreed performance indicator reports to agreed timescales
- Respond promptly to information requests from the client, including statutory and regulatory access to information requests, for example to meet statutory timescales
- Observe the agreements on intellectual property
- Delivering all service, programme and project assurance requirements as agreed with the client
- Maintain the agreed hours of operation which are:
- Schools' Support team – Monday to Thursday 08:00 - 17:00 and Friday 08:00 - 16:30, plus agreed out of hours support, where arranged
- Service Desk – Monday to Friday 08:00 - 17:30, plus agreed out of hours support, where arranged
- Compliance with all legislation, statutory regulations and client's financial procedures, procurement policy and operating policies
- Compliance with the client's Information Security Management System Policy and Statement of
- Applicability to deliver ISO27001 certified services

1.5. School overall responsibilities

- Treat the contents of this agreement as confidential commercially sensitive, unless agreed with Hoople
- Co-operate with all reasonable demands for access to IT facilities within the school grounds
- Comply with the terms of any corporate licence agreement relevant to the delivery of services under this agreement
- Provide information reasonably requested by Hoople to agreed timescales
- Ensure that all customer's staff are fully informed and adhere to all policies affecting the services provided by Hoople
- Ensure that charges for services are paid promptly and in accordance with our credit terms of 30 days
- Inform Hoople of any risks which may impact service delivery
- Pay all agreed third party supplier costs, not included in the costs of this SLA, within 30 days
- Treat all data as confidential and in accordance with the Data Protection Act

1.6. Joint over all responsibilities

- Provide accurate and timely information to enable the agreed timescales for service delivery to be met
- Ensure that all employees are aware of any changes to legislation, policies and procedures affecting the delivery of services with this agreement
- Ensure co-operation and prompt action to correct all errors and anomalies
- Ensure that service / organisation objectives are clearly communicated in a manner that is understandable by all parties
- Respect the confidentiality of information at all times
- Do not disclose any information specific to this Agreement to any third party without the written authority of the other party, treat as confidential, including rates and contractual information

2. Breakdown of SIMS services

Access to highly trained, motivated and knowledge able staff who have expertise in handling employee and pupil data.

2.1 SIMS application support – Essential service

Deliverable 1: Dedicated support from the Schools' Support team to enable schools to deliver accurate information to the DfE, LA and Governors, helping schools to actively manage data and make real time decisions based on evidenced information.

Deliverables include:

- Telephone and remote support for fault resolution
- Advice and guidance on DfE legislation changes
- High quality support documentation
- Statutory return demonstrations and new user training
- Demonstrations of new software
- Additional consultation time with the Schools' Support team can be purchased for half and full day support as required

Customer responsibilities	Hoople responsibilities
Academies are responsible for ensuring that the school is licensed to use the SIMS software for the financial year 2022/23.	Ensuring that schools under local authority control are licensed to use and maintain the SIMS system
Backup data must be taken on a daily basis	Telephone Service Desk
Ensure that all upgrades forwarded to the school by the Schools' Support team are carried out in a timely manner and, where driven by Statutory Returns, in sufficient time to allow the gathering of data to produce said return	Follow-up testing and problem solving
	Quick reference guides, user booklets and demonstrations to assist schools in statutory processes.
Provide staff with opportunity to work with the Schools' Support team to ensure they have received appropriate, ongoing training for their role.	Liaison with Herefordshire Council representatives to ensure that a quality service is provided to schools and academies
Ensure that all systems have appropriate antivirus software installed that is regularly updated	Liaison with other Herefordshire Public Services employees to provide a consistent and coordinated service
Ensure that the Schools' Support team have full and timely physical access to the school's server(s), network equipment, PCs and Administrator accounts and passwords, and SIMS user IDs and passwords	Liaison with outside bodies as necessary eg Education Software Solutions, QCDA and DfE
	Provide information about and demonstrations of new software
	Supply of upgrades to SIMS software
Continued on next page	

Customer responsibilities (continued)	Hoople responsibilities (continued)
Consent to the use of administrator level remote access to the school's network by the Schools' Support team via remote access software within the school for the purpose of maintenance and troubleshooting the SIMS application	Provision of file encryption and transfer system – Any Comms for use with schools within Herefordshire. (Exam Centre software is supported directly by AVCO not IT services)
Consent for the Schools' Support team to transfer data from the school for the purpose of troubleshooting issues with the data	Demonstrations in the form of open workshops for all statutory processes to include School Census held in Autumn, Spring and Summer, SIMS Assessment Manager for Key Stage Returns, End of Year administration processes and School Workforce Return
Ensure that when members of the Schools' Support team make site visits, all work requested can be carried out in accordance with HSE guidelines	
	<p>Having received at least five working days' notice from the school that they are ready to undertake an upgrade, the Schools' Support team will arrange for telephone support to be available.</p> <p>This may include a twilight session (up to 18:00) if requested. Should problems arise during or after the upgrade an onsite visit is included in the core service. Any problems resulting from an upgrade will be treated as a priority 1 call</p>

2.2 SIMS application support – Enhanced Service

Deliverable 1: Dedicated support from the Schools’ Support team to enable schools to deliver accurate information to the DfE, LA and Governors, helping schools to actively manage data and make real time decisions based on evidenced information

Deliverables include:

- SLA visits to schools (school to book)
- Telephone and remote support for fault resolution
- On-site visits for problem solving
- Advice and guidance on DfE legislation changes
- High quality support documentation
- Local training courses and workshops
- Demonstrations of new software
- Support for SIMS pupil assessment and performance from Early Years to KS5 including customised mark sheets where required
- Pupil performance and data analysis using Discover and Assessment Manager (provided the school is using SIMS for tracking pupil progress)
- Customised reporting to parents using SIMS Assessment Manager or SIMS Profiles
- Ofsted preparation and support

Customer responsibilities	Hoople responsibilities
Academies are responsible for ensuring that the school is licensed to use the SIMS software for the financial year 2022/23.	Ensuring that schools under local authority control are licensed to use and maintain the SIMS system
Backup data must be taken on a daily basis	Telephone Service Desk
Ensure that all upgrades forwarded to the school by the Schools’ Support team are carried out in a timely manner and, where driven by Statutory Returns, in sufficient time to allow the gathering of data to produce said return	On-site visits for problem solving where the issue cannot be resolved remotely and is caused by a system defect
	Follow-up testing and problem solving
Provide staff with opportunity to work with the Schools’ Support team to ensure they have received appropriate, ongoing training for their role.	Quick reference guides, user booklets and demonstrations to assist schools in statutory processes.
Ensure that all systems have appropriate antivirus software installed that is regularly updated	Consultancy for school administration systems
	Liaison with Herefordshire Council representatives to ensure that a quality service is provided to schools and academies

Customer responsibilities (continued)	Hoople responsibilities (continued)
Ensure that the Schools' Support team have full and timely physical access to the school's server(s), network equipment, PCs and Administrator accounts and passwords, and SIMS user IDs and passwords	Liaison with other Herefordshire Public Services employees to provide a consistent and coordinated service
Consent to the use of administrator level remote access to the school's network by the Schools' Support team via remote access software within the school for the purpose of maintenance and troubleshooting the SIMS application	Liaison with outside bodies as necessary eg Education Software Solutions, QCDA and DfE
Consent for the Schools' Support team to transfer data from the school for the purpose of troubleshooting issues with the data.	Provide information about and demonstrations of new software
	Supply of upgrades to SIMS software
Ensure that when members of the Schools' Support team make site visits, all work requested can be carried out in accordance with HSE guidelines	Provision of file encryption and transfer system – Any Comms for use with schools within Herefordshire. (Exam Centre software is supported directly by AVCO not IT services)
	Unlimited onsite support sessions
	Demonstrations, training and onsite support for all statutory processes to include School Census held in Autumn Spring and Summer terms, SIMS Assessment Manager for Key Stage Returns, End of Year administration processes and School Workforce Return in the form of form of open workshops: Autumn, Spring and Summer terms – School Census, spring term – SIMS Assessment Manager for Key Stage Returns/summer term – End of Year Procedures. A training booklet with courses will be issued
	Having received at least five working days' notice from the school that they are ready to undertake an upgrade, the Schools' Support team will arrange for telephone support to be available. This may include a twilight session (up to 18:00) if requested. Should problems arise during or after the upgrade an onsite visit is included in the core service. Any problems resulting from an upgrade will be treated as a priority 1 call

2.3 SIMS Financial Management (FMS) – An integrated accounting system that enables schools to manage key financial processes

Deliverable1: SIMS Financial Management System (ICAEW accredited) enables schools to manage all their key financial processes with an integrated double-entry accounting system. The system will provide:

- A comprehensive picture of your school’s finances
- Ensures your school’s funding and resources are put to the best possible use
- Gathers information on staff contracts, payroll, purchases, payments received and assets held at any time
- Easily generates reports to help monitor day-to-day spending Enhanced IT needs

Customer responsibilities	Hoople responsibilities
Academies are responsible for ensuring that the school is licensed to use the SIMS software for the financial year 2022/23	Ensuring that schools under local authority control are licensed to use and maintain the FMS system
Ensure that the school is licensed to operate the SIMS application for the period of this SLA	Telephone Service Desk
Ensure that all upgrades forwarded to the school by Education Software Solutions are carried out within a reasonable time	On-site visits for problem solving by experienced FMS users
Provide staff with appropriate training. The Schools’ Support team is not able to provide support to users who have not undertaken appropriate training for the relevant application	On-site visits as part of your SLA for problem solving
Ensure that all systems have appropriate antivirus software installed that is regularly updated	Information sheets to assist schools in important processes
Ensure that the Schools’ Support team have full and timely physical access to the school’s server(s), network equipment, PCs and Administrator accounts and passwords, and SIMS user IDs and passwords	Liaison with outside bodies as necessary eg Education Software Solutions, QCDA and DfE
	Information about and demonstrations of new processes within the software
	Provision of file encryption and transfer system – Any Comms for use with schools within Herefordshire. (Exam Centre software is supported directly by AVCO not IT Services)
Continued on next page	

Customer responsibilities	Hoople responsibilities
Consent to the use of administrator level remote access to the school's network by the Schools' Support team via remote access software within the school for the purpose of maintenance and troubleshooting the SIMS FMS application	Backup routines where appropriate for supported software and devices Access to work shops and training courses
Permit remote access (especially important at sites that do not have curriculum support)	
Consent for the Schools' Support team to transfer data from the school for the purpose of trouble shooting issues	
Ensure that when members of the Schools' Support team make site visits, all work requested can be carried out in accordance with HSE guidelines	
Backup data must be taken on a daily basis	

2.4 SIMS consultancy – A tailored MIS consultancy service delivered by our dedicated Schools' Support team

Deliverable 1: A member of the specialised Schools' Support team will work alongside you to provide tailored support according to the brief provided.

Customer responsibilities	Hoople responsibilities
Provide a clear brief of expectations and outcomes from your consultation	Provide a consultant at the time agreed
Be available for your consultation at an agreed time	Work to the agreed brief and outcomes
Agree the length of consultation time required (sold in segments of 3.5 hours)	

3. Breakdown of Arbor Education Services

Access to highly trained, motivated and knowledge able staff who have expertise in handling employee and pupil data.

3.1 Arbor Education application support – Essential service

Deliverable 1: Dedicated support from the Schools’ Support team to enable schools to deliver accurate information to the DfE, LA and Governors, helping schools to actively manage data and make real time decisions based on evidenced information.

Deliverables include:

6. Terms and conditions of service

THIS AGREEMENT is between the education institution (the 'Establishment') and Hoople Ltd (Reg No 7556595) of Plough Lane, Hereford, HR4 0LE (the 'Service Provider').

WHEREAS:

The Establishment desires to obtain the services of the Service Provider for the purpose of providing certain services upon the terms and conditions set out in this agreement.

IT IS AGREED as follows:

1. Interpretation

1.1 In this Agreement unless otherwise specified:

- 1.1.1. Where the context permits, words importing the singular shall include the plural and vice versa; and words importing the masculine shall include the feminine and neuter and vice versa
- 1.1.2. references to Clauses and Orders Placed with the dedicated Hoople Schools Buying Portal are to clauses of, and schedules to, this Agreement

2. Term and termination

2.1. This Agreement shall commence seven days after the order is placed (the 'Effective Date') and shall terminate automatically without notice at the end of the SLA period

- 2.1.1. The Service Provider commits to implementing a 'cooling off' period of seven days between the date the order is placed, and the Effective Date during which time the Establishment may delete or amend the order

2.2. Either party shall be entitled to terminate this Agreement with immediate effect by notice in writing to the other if:

- 2.2.1. The other party commits any material breach of the terms of this Agreement;
- 2.2.2. An order is made or a petition is presented or an effective resolution is passed or order is made for the bankruptcy or winding-up of the other party; or
- 2.2.3. A receiver or administrator is appointed over all or any of the assets of the other party or an administration order is made with regard to the other party

2.3. Termination of this Agreement shall be without prejudice to any rights and obligations existing at the date of termination, or any claim by one party against the other for any breach of this Agreement committed prior to termination, which shall continue unaffected.

3. Obligations of the Service Provider

3.1. The Service Provider undertakes to provide the services as set out online within the dedicated Hoople Schools portal to this Agreement (the 'Services'), in consideration of the payment as set out in the dedicated Hoople Schools portal. The Service Provider has undertaken Payment calculation based on the following terms:

- 3.1.1. Payment for services relating to employee numbers has been calculated based on the number of employees at each Establishment as at January 2021. Included in the calculation is a 5% tolerance. If employee numbers rise above this 5% tolerance Hoople reserves the right to charge incremental fees

3.7. All communications and all information supplied to or obtained by the Service Provider in the course of or as a result of the discharge of his obligations under this Agreement and all information relating to any invention, improvement, report, recommendation or advice given to the Establishment by the Service Provider in pursuance of his obligations shall be treated by the Service Provider as confidential and shall not be disclosed by him to any third party or published without prior written consent of the Establishment, such consent not to be unreasonably withheld.

3.8. The Service Provider undertakes that, in the event of his being unable personally to perform the Services in accordance with his obligations under this Agreement, he will provide by way of a substitute to perform the Services in his place a fully qualified alternative service provider acceptable to the Establishment (the 'Substitute'), provided that the provision of the Substitute shall be under a subcontract between the Service Provider and the Substitute and that the rights and obligations of the Service Provider under this Agreement in relation to the Establishment shall not be affected, nor shall the Establishment be under an obligation to pay any fees to the Substitute for the provision by him of the Services.

4. Intellectual property rights

4.1. All intellectual property and industrial property rights throughout the world in patentable and non-patentable inventions, discoveries and improvements, processes and know-how, copyright works and the like discovered or created by the Service Provider in the course of or as a result of the discharge of his obligations under this Agreement shall vest in and be the absolute property of the Service Provider. Upon the request of the Establishment the Service Provider shall, at the Establishment's expense, execute all documents and do all acts and things required to vest or perfect the vesting of such property rights legally and exclusively in the Establishment or any nominee or assignee of the Establishment.

5. Expenses and payment terms

5.1. The Establishment will reimburse the Service Provider for all reasonable expenses incurred in the discharge of his obligations under this Agreement, provided that all such expenses will be subject to the prior written approval of the Establishment. Expenses are to be accounted for and reimbursement will be made by the Establishment and in accordance with relevant standard Establishment procedure as from time to time established and notified to the Service Provider.

5.2. The Establishment shall pay the Service Provider's invoices within 21 days of the date of invoice. Failure to pay may result in additional penalties.

6. Confidentiality and security

6.1. Each party acknowledges that all material and information which has or will come into the possession and knowledge of each in-connection with this Agreement or the performance hereof, consists of confidential and proprietary data, whose disclosure to or use by third parties will be damaging. Both parties, therefore, agree to hold such material and information in strictest confidence, not to make use there of other than for the performance of this Agreement, to release it only to employees requiring such information, and not to release or disclose it to any other party.

6.2. Each party agrees that in the event that confidential information which is the responsibility of either party is accidentally released by either party to the other, each party undertakes to inform the other upon discovery, to keep the information strictly confidential, and to return or destroy the information immediately without copying or onward transmitting that information.

7. The General Data Protection Regulation

- 7.1. In the course of delivery of the services outlined within the dedicated Hoople Schools Portal, it may be necessary for the Service Provider to process personal information relating to the Establishment. The Service Provider guarantees that it will implement appropriate technical and organisational measures in such a manner that processing will meet the requirements of the General Data Protection Regulation ('GDPR') and ensure the protection of the rights of the data subject.
- 7.2. In order to provide the services under this agreement, it may be necessary to process personal data. The type of personal data which we may process includes employment and financial information. We will only process personal data for the purpose of providing the services requested and we will only process this information during the term of this agreement. The data subjects whose personal information it may be necessary to process includes school staff responsible for complying with the obligations under this agreement, staff members, governors, parents, pupils and other persons who may come into contact with the school from time to time.
- 7.3. The personal data processed for the delivery of the services will be retained by the Service Provider only for the period specified in the Establishment's data retention policy.
- 7.4. In providing the services, the Service Provider will process personal data only on written instructions from the Establishment, including with regard to transfers of personal data to a third country or an international organisation unless the processing is required to comply with a legal obligation. If such a legal obligation arises, the Service Provider will notify the Establishment before processing unless prohibited from doing so by law.
- 7.5. The Service Provider will ensure that persons authorised to process the personal data have committed themselves to confidentiality.
- 7.6. The Service Provider will implement appropriate technical and organisational measures to ensure a level of security appropriate to the risks associated with the personal data being processed.
- 7.7. The Service Provider will not engage another processor without the authorisation of the Establishment. Where such authorisation is given by the Establishment, the Service Provider will enter into a contract with the sub-processor imposing the same processing obligations as required between the Service Provider and the Establishment.
- 7.8. The Service Provider will assist the Establishment, to the extent required by the GDPR, in providing subject access and allowing data subjects to exercise their legal rights under the GDPR.
- 7.9. The Service Provider will assist the Establishment, to the extent required by the GDPR, in ensuring compliance with its obligations in relation to security of processing, the notification of personal data breaches and data protection impact assessments.
- 7.10. At the conclusion of the services provided under this agreement, the Service Provider will either delete or return all of the personal data to the Establishment relating to processing, and delete existing copies unless storage of the personal data is required by law.
- 7.11. The Service Provider will make available to the Establishment all information necessary to demonstrate compliance with the processing obligations laid down in Article 28 of the GDPR, and allow for and contribute to audits, including inspections, conducted by the Establishment or another auditor mandated by the Establishment.

- 7.12. The Service Provider shall immediately inform the Establishment if, in its opinion, an instruction infringes this GDPR or other data protection laws.
- 7.13. Service Provider point of contact for GDPR: Adrienne Davies (Business Change Manager) Contact details: data.protection@hoopleltd.co.uk

8. Miscellaneous

- 8.1. For the avoidance of doubt both parties confirm that the Service Provider enters into this Agreement as an independent contractor and that he is not nor shall for any purpose be regarded as an employee of the Establishment.
- 8.2. Force Majeure - Neither party shall be liable to the other for any failure to perform its obligations under the contract where such performance is rendered impossible by circumstances beyond its control, but nothing in this condition shall limit the obligations of the contractor to use its best endeavours to fulfil its obligations under the contract.
- 8.3. Except as otherwise provided in this Agreement, all notices, instructions or other communications shall be in writing and may be made by email, facsimile message, by letter or other form of communication as agreed between the parties from time to time, and delivered to the requisite party at its address.
- 8.4. The obligations imposed upon the Service Provider under clauses 3.7 and 4 shall survive the expiry or termination of this Agreement.
- 8.5. The terms of this Agreement shall be governed by and construed in accordance with English law and be subject to the non-exclusive jurisdiction of the English Courts.
